Deputy Director

*DCRC Globalense: A Journal of Social Science Research*

## About the Journal

The *DCRC Globalense: A Journal of Social Science Research* is a blind-peer review bi-annual English journal of the Centre bearing both RNI and ISSN asunder:

**RNI**: DELENG/2022/84712

**ISSN**: 2584-2951

The Journal is thematic with two issues appearing from January-June and July-December in each calendar year. Premised on a common universal theme, the Centre also publishes one annual special issue.

The Journal has been in publication and circulation since 2018 – with RNI since 31 May 2023 and ISSN since 12 April 2024.

## Editorial Board

Following are the Members of the Editorial Board of the Journal for its regular and special issues:
Dr Ramesh K Bhardwaj, Editor
Dr Ruchita Chakraborty, Member
Dr Rajiv Ranjan, Member
Dr Bhuwan Kumar Jha, Member

## Appeal

Each issue of the Journal is internally discussed and deliberated amongst the members of the Editorial Board before seeking articles from the students and scholars across disciplines and universities.

Each of the articles received during the deadline are sent to three different reviewers. Based on the feedback from the reviewers on the prescribed format are shared with the authors.

The accepted articles are sent back to the authors with the reviewers' comments and observations.

## Retraction/Correction Policy

The edited articles by the accepted authors are reviewed by the Editorial Board and are sent for publication after the due approval by the Fellow Council and Research Committee – the two statutory bodies of the Centre.

Authors with rejected articles can appeal to the Editor-in-Chief. Any such case/s are discussed thoroughly with the Editorial Board and decision/s are communicated to the authors.

## AI Disclosure

The guidelines issued with each issue of the Journal categorically specify the non-plagiarised status of the articles. Each article is accepted for review only after going through the rigorous process of plagiarism check by the University's anti-plagiarism software.
